

We wrote the book on HEB.

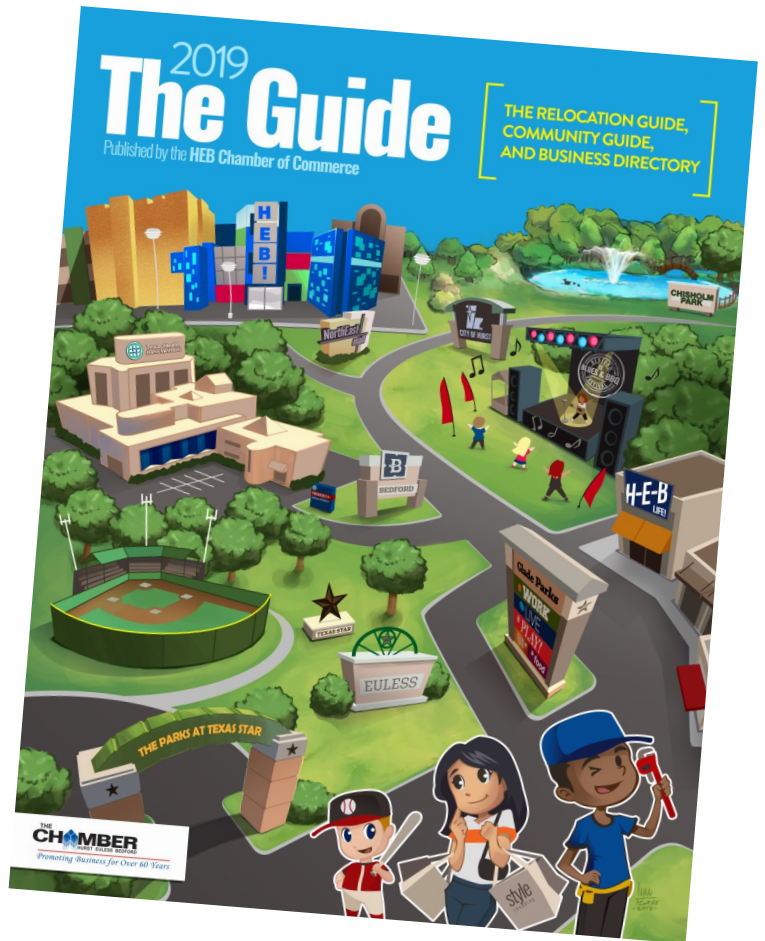

You'll want to be in it.

The **Guide** is the HEB Chamber's award-winning annual membership directory. But that's just the start.

The 2020 Guide also is the **definitive resource** for the Hurst Eules Bedford area, used by thousands of businesses, residents and those who are considering relocation. Consider:

5,000 copies are printed and distributed to visitors, residents and area businesses, including realtors, medical centers, banks and every Chamber member business.

The **online edition** expands our reach across the web and features interactive ads that allow viewers to **click directly to your website**.

The Guide celebrates all the great things about our community, and member businesses are listed by products and services. **Ad design** services are available for a flat rate of \$50.

Simply put, **The Guide is your critical connection to the community, the businesses and the opportunities.** Advertise in the publication where people look first, so you can be **FOUND** first.

To learn more about advertising opportunities, please call Paola Mariscal at **817-283-1521**. Or provide the information below and send this form to paola@heb.org.
