

Email Protection & Privacy Policy

The Hurst Euleless Bedford (HEB) Chamber of Commerce has created this email privacy policy to demonstrate our firm commitment to our members' privacy and the protection of their electronic information.

If you have received an email from the HEB Chamber of Commerce, it will state name@heb.org

- Your email address is either listed with us as a contact who has expressly shared this email address for the purpose of receiving information in the future, OR
- You have registered, purchased or have an existing membership with us in which you provided the HEB Chamber with your email address for communication purposes. This included your email availability to interested parties at the Chamber website.

The Chamber does not sell or rent email information without your advance permission or unless ordered by a court of law. Information submitted to us is only available to employees of the Chamber managing this information for Chamber purposes, such as contact for information, updates of events, and referrals to/from interested parties.

Our broadcast emails via Constant Contact contain an easy, automated way for you to choose to cease receipt of Chamber emails. If you wish to do this, simply click on the OPT OUT option on the bottom of the email or reply with REMOVE in the subject line of an email to us. Emails used in the broadcast emails are provided by the members or persons who have asked to subscribe to our newsletter.

Please send any suspicious, unsolicited, or other electronic correspondence that is purported to be sent from our database with an unknown sender or non-Chamber related email address. Send those emails to chamber@heb.org for our review and action.

If you have any questions, please do not hesitate to contact us by email or at 817/283-1521.
